DATA COLLECTION AND PRIVACY POLICIES: AN OPEN DISCUSSION

Are there ways for normal people to make informed decisions around helpful and harmful data collection?

Should there be more emphasis on stewardship and accountability for collectors and users of data than on garnering the utterly blind consent of those supplying it?

SATURDAY, APRIL 3RD, 11:00AM - 1:00PM EST New time!

RSVP: shoot us a quick note and we'll add you in (connect@building-u.com)
